

Kristian Blomquist

Registered Patent Attorney | Associate

Office: Salt Lake City

Direct: 801.297.1860

Office: 801.297.1850

kblomquist@mabr.com

Kristian's practice focuses on helping clients with patent preparation and prosecution in various technologies including optical systems, analog circuits, wireless communication devices and mechanical devices. Kristian is an Electrical Engineer with experience in wireless communication, semiconductors, analog IC design, and more. Prior to law school, Kristian worked at L-3 Communications designing and verifying wireless communication systems and at Simtek Corporation verifying nvSRAM semiconductor chips.

In his free time, Kristian enjoys fly fishing on the Provo River and the many great rivers in Utah and surrounding states.
